Company Name:

Address & Postcode:

.....

.....

Email address :

Website:

Social Media Links:.....

Telephone:

Registered Charity No (if applicable):

Please give details of product/produce you will be selling:

.....

.....

Do you require a **MARKET STALL** a **CRAFT STALL** or have your own **GAZEBO/UNIT** (*Please circle the appropriate option*)

PLEASE NOTE: Stall holders requiring public liability insurance must provide copies of certificates/ policies etc. with their booking, AND if you require power please ensure that you have cables of an appropriate length. Anyone using 13amp sockets must contain them in a waterproof box.

It will be the aim of the Festival Organisers to provide 100V Lighting to each stall subject to availability. Stallholders who require **power** for purposes other than lighting **must provide details** of the Equipment being Powered;

Type; Quantity; and Wattage - not to exceed 16Amp total, with PAT Stickers.

They **must** also provide their own 16 Amp Extension Leads (recommended 25 Metres or longer) Where 13 Amp trailing sockets form part of that circuit, these must be enclosed in suitable Waterproof Boxes (to IP65)

Please provide details in the space provided below:
